Large Farmhouse Coffee Table (refurbished)

410 EUR

Period : 20th century

Condition : Restauré par notre atelier

Material : Solid wood

Description

Renovated rectangular farmhouse coffee table. Materials: solid beech. Features: this coffee table was formerly a small farmhouse table. Its legs were cut to transform it into a coffee table, its height under the band no longer meeting today's standards. The drawer, with a vintage metal knob, slides perfectly. Renovation: cleaned and sanded to remove the two layers of paint it was covered with while preserving the patina of the wood. The central crack was filled and stained. Its top is protected by a colorless matte varnish, the rest remained in natural wood. The drawer, compartmentalized, was painted dark blue. Dimensions: L120 x D66 x H44 (H under band 30). Drawer: L40.5 x D42.5 x H7. This farmhouse coffee table is a Fauvette that is both vintage and modern, which can be used as a small
