Description

Lively seascape at sunset Dutch schoolMonogrammed GMOil on panelLate 19th centuryProvenance: Private collection, Normandy Blackened wood frame and gilt fillet, 20th century workDimensions: With frame: 44 x 52 cmUnframed: 30 x 38 cmCharming maritime scene in the style of the 17th century Dutch school, this composition bathed in late afternoon light features an elegant sailing ship flying the Dutch flag, surrounded by rowboats and fishing boats docking at a lively jetty. The sky, in rich shades of blue, pink and gold, subtly reflects on the calm waters and reinforces the poetry of this port atmosphere.The artist, active at the end of the 19th century, was inspired by Dutch masters such as Willem van de Velde, Bakhuizen or Jan van de Cappelle. He captures its atmospheric
