Description

Antique Vearmine Mina-Khani Design rugs from central Persia are recognized as exceptional workshop weaves, renowned for their remarkable quality, fine, crisp designs, and balanced variety of vegetal colors. This beautiful Veramine rug, circa 1970, has a tight weave that explains the clarity of its design. The charming "Mina Khani" motif: composed of four rounded daisy-like flowers arranged to form a diamond shape and joined by a vine. This basic motif can be repeated to form a floral grid.
