Antique Galloping Cowboy Balance Toy In Motion, Hand Painted Wrought Iron, 19th Century.

600 EUR

Period : 19th century

Condition : Bon état

Material : Wrought iron

Height : 47 cm

Description
-------------

Antique balance toy depicting a cowboy on his horse. When it balances the horse's head and tail moves like also the cowboy. Entirely hand-forged, this toy is hand-painted (original paint) and has an aged patina. Dated to the late 19th century and probably of British origin. Total height: 47 cm.
