Description

Pair of wooden twisted columns, finely carved and painted with a black and yellow duotone. The columns are enriched with pure gold leaf gilding, with particular attention to details such as the final bull and the upper part decorated with geometric braid carvings. These majestic columns, originally designed as vase holders, add a touch of elegance and class to any environment. Their Venetian craftsmanship dates back to the first half of the 18th century and testifies to the craftsmanship and tradition of the time. Perfect for enriching and enhancing spaces with period architecture and refined design. Measurements: H x W base x DM 140 x 34 x 25cm
