Description

Vintage 18k gold, sapphire, diamond, emerald and ruby earrings - Italy, circa 1980 Elegant pair of vintage 18k yellow gold earrings, Italian-made, typical of the prestige jewelry of the 1980s. The stones, carefully paired and prong-set, offer a harmonious and luminous chromatic contrast. The dense double-prong setting work is characteristic of high-end Italian workshops of this period. The earrings are mounted on a double fixed post and clip system: the post is intended for pierced ears, while the clip ensures excellent support. This combined
