Height : 0,76m

Description

Double-sided walnut desk, Louis XVI style, 19th century. This desk has the particularity of having drawers (ten in total) on both sides as well as two pull-outs on the sides. The drawers are inlaid with diamond patterns and a beautiful gilded bronze ornamentation brings a touch of elegance to this desk. The top and the pull-outs are newly covered in Empire green leather decorated with gold and wheel. Very good condition. DIMENSIONS: 1.40m x 0.80m and 0.76m high. Each pull-out: 0.35m. Total length: 2.10m.
