

18th Century Grenoble Earthenware Dish, Très Cloitre Or La Tronche, Decorated With Marsh Sweetbr

135 EUR

Period : 18th century

Condition : Très bon état

Material : Earthenware

Description

This beautiful earthenware dish, polylobed in shape, with a twig or wild rose decoration, is in very good condition, with some minimal traces of time, almost nothing. Note: one side is a little grainy, due to a firing defect (photo). It is really of no consequence but I prefer to point it out. This is the charm of 18th century earthenware. Dimensions: 36.5 x 23.5 cm. Fast, careful and very secure shipping, free for France.
