Description

Very charming antique wall clock from the Charles X period around 1830-1840, all in marquetry. Wire mechanism in working order, the pendulum is not original. May need a little overhaul, but it starts well and holds the movement. Good condition, only a few missing pieces at the back, the front is very clean. Original curved glass, with its key. Dimensions: diameter of wood 45 cm, overall height with the hook 60 cm, max depth 13 cm. Full of charm and presence.
