

Satsuma Earthenware Bowl. Meiji Period

1 600 EUR

Signature : Ryuzan ??

Period : 19th century

Condition : Parfait état

Width : 12,5

Height : 5

Description

Circular bowl on a short foot, decorated in polychrome and gold enamels, features a multitude of butterflies on the inner wall and a mille-fleurs type decoration on the outer wall. A gold lacquer mark under the base in a cartouche on a black background, Ryuzan. Very fine crackle of the paste, proof of the high quality of the earthenware, visible under the base. Period: Meiji (1868-1912). Diameter: 12.5cm. Height: 5cm.
