Low Country Chic Sideboard (renovated)

350 EUR

Period : 20th century

Condition : Restauré par notre atelier

Material : Pine

Description

Small low country chic sideboard in solid pine, to adopt alone or in a duo. Materials: solid pine. Characteristics: initially a corner piece of furniture, this atypical low country chic sideboard has two closed cupboards: one on its front face (left side), closed by a latch, and the other on its right side with a metal knob. Each cupboard has a shelf. Renovation: this low country chic sideboard has been sanded on the outside to remove its two layers of green and white paint, while leaving it with the patina of time. It has been left in raw wood. Dimensions: L85.5 x D43 x H58. Front cupboard: L38.5 x D36. Spacing between shelves from top to bottom: 28-19. Side cupboard: L36 x D39. Spacing between shelves from top to bottom: 27-15. This chic country-style low sideboard can be installed in a corner, or not, with
