Pair Of Small, Low, Country-chic Sideboards

700 EUR

Period : 20th century

Condition : Restauré par notre atelier

Material : Pine

Description

Pair of small low country chic sideboards in solid pine. Materials: solid pine. Characteristics: initially corner furniture, these two atypical low country chic sideboards have two closed cupboards: one on their front face (right or left side), closed by a latch, and the other on their side (right or left) with a metal knob. Each cupboard has a shelf. Renovation: these low country chic sideboards have been sanded on the outside to remove their two layers of green and white paint, while leaving them the patina of time. They have been left in raw wood. Dimensions: L85.5 x D43 x H58. Front cupboard: L38.5 x D36. Spacing between shelves from top to bottom: 28-19/25. Side cupboard: L36 x D39. Shelf spacing from top to bottom: 27-19/26. These chic country sideboards are a great pair. They can be placed in
