Description

Bronze sculpture signed Fabien Cayeré - 2009
Elegant modern bronze sculpture made in 2009
by the contemporary artist Fabien Cayeré (born in
1970). The work represents a stylized female
figure, slender and leaning, in a meditative
posture. Clean lines, expressive tension: this
piece evokes the formal stripping of modern art,
in a vein close to Giacometti or the existential
research of 20th-century sculpture. The cast is
mounted on a solid wood base. The sculpture is
signed under the base, with mention of the
technique, the date and the indication "PU"
(unique piece). Total height: 36 cm Weight: 1,222
