## Terrestrial Globe On Foot, Editions E. Bertaux, G. Thomas Successeur, Circa 1900

1 200 EUR

Signature : Emile Bertaux, G. Thomas successeur

Period : 19th century

Condition : Bon état

Material : Paper

Diameter : 26 cm

Height : 46 cm

### Description

Pivoting physical globe, in polychrome printed paper mounted on plasterboard. The globe is attached by a brass clamp to a cylindrical base in blackened and waxed turned wood. It's inscribed "Globe métrique", Editeur E. Bertaux, G. Thomas successeur 44 rue N.D. des Champs Paris. The colors are a little faded and the paper is a little scuffed at the South Pole, but it is in good condition, with no fractures or breaks.
