Description

Very pretty terracotta sculpture representing a child sitting on her mother's lap. Full of delicacy and tenderness, Alfred MULLER, knew how to reproduce in a very refined style this visceral bond between a mother and her child. The child tries, with tenderness, to bring his mother's face closer for new affectionate hugs. Very beautiful size, our terracotta is published by the house SUSSE Frère. Circa 1901 A slight chip on the base.
