

Silver Metal Regulator Watch

350 EUR

Period : 19th century

Condition : Très bon état

Material : Silver metal

Diameter : 6,7 cm

Description

We present this beautiful silver-plated metal regulator with a hunter seated with his dog, rifle and game bag engraved in the metal on the back. The dial has Roman numerals and at the bottom another dial for the second hand. In good condition overall, note however two impacts on the dial, one on the II and another on the VIII. It works perfectly. Weight 190 gr (E25)
