Description

Antique silver brooch, wings motif and green glass bead Elegant safety pin-shaped brooch, made of finely worked silver. The central motif represents a pair of spread wings, sculpted with great finesse to restore the details of the plumage. In the center, a green glass bead (imitation emerald) brings a luminous and precious touch to the whole. The contrast between the silvery shine of the metal and the intense hue of the pearl creates a beautiful visual harmony. Period: 20th century (vintage style) Material: Silver (not hallmarked visible on the photo, to be confirmed) Stone: Green glass bead Clasp: Works perfectly (safety pin type) Dimensions: length 18cm Careful packaging and free delivery in France
