Description

Buddha head carved in polychrome and gilded wood, probably from Thailand, 18th century. Very pretty sculpture with an expression evoking plenitude and also possessing its original polychromy, which makes this object very attractive both aesthetically and spiritually. Very good general condition with some slight traces of wear but without any repainting, giving this piece a real appeal for its authenticity. Collector's item and decoration at the same time. Possibility of sending in France and worldwide by secure and insured package with order tracking. Careful and insured packaging. Invoice and certificate provided.
