

## Wooden Bed, Early 20th Century

650 EUR

Period : 20th century

Condition : Très bon état

Material : Painted wood

### Description

Wooden bed, early 20th century  
Solid wood bed with a simple and elegant line, composed of a headboard, a footboard and side posts. The structure presents careful work and harmonious proportions, integrating equally well in a classic interior as in a more contemporary decoration. The whole is in good general condition, ready to accommodate a box spring and a large mattress. Dimensions: o Headboard: H 118 cm x W 163 cm o Footboard: H 76 cm x W 165 cm o Internal dimensions for the mattress: 152 x 198 cm o Total length: 215 cm  
European work, early 20th century.
