### Description

Introducing this elegant Italian desk dating back to the 20th century. An extremely refined desk, inspired by the Empire style. Made of fine mahogany wood (accompanied by certificates required for export of this wood). Featuring a linear design with black ebonized column legs that highlight the top. On the front you will have five practical drawers available. The top is covered in green imitation leather and features two pull-out side shelves that you can use if you need additional space. Beautiful finely chiseled gilded bronzes give a bright touch and add splendor to the desk. Consider that the desk was designed to be placed in the center of the room, so you will have great versatility in choosing its placement. You can certainly consider placing this precious desk in the office or in the living room,
