Description

This Art Deco period dressing table, dating from the 1930s, perfectly embodies the refinement and sophistication of this artistic movement.Made from burr walnut, it offers a superb play of natural veins that gives its design a warmth and timeless elegance.It is functionally organized with three drawers on the right, each with a brass knob, and a door on the left opening onto a fixed shelf, ideal for storing accessories or other personal items.The top of the dressing table is adorned with a magnificent triptych mirror, typical of the period, which allows for practical adjustment for different perspectives of hair and makeup.Its base rests on two flat molded feet, adding a touch of lightness and balance to the whole.Perfectly representative of the Art Deco DNA with its clean lines and exceptional
