Description

France / 1920 / Mirror / red copper / Art Deco / Mid-Century / Vintage

Stunning French Art Deco sunburst mirror, crafted in solid red copper from the 1920s. This graphically designed mirror features a beautifully crafted frame with sun rays styled in a tilted shape and a round mirror. The copper of this mirror has a beautiful brown patina. The frame shows normal signs of use due to age.

The intricate sunburst design radiates elegance, making it a perfect statement piece for your living room, hallway, or entryway. Not only does this mirror serve a practical purpose, reflecting light and creating the illusion of a larger space, but it also acts as a captivating artwork that draws the
