Description

Antique Oculist / Optometrist Case Original Wooden Box with French Inscriptions and Brown Velvet Lining. A unique and historical item - ideal for collectors, decoration or museum display. Description of the Set: This rare case dates from the 19th or early 20th century. The maker is unknown, but the inscriptions and style suggest a French or Belgium origin. The lenses are neatly arranged in a solid wooden box, with an elegant brown velvet lining. The compartments are labeled with original French inscriptions, such as: Spherical Cylindrical Prisms etc. Contents and Completeness: The case is divided into three sections: Left side: Almost complete - the +10 sphericals are missing. Middle side: 100% complete. Right side: Three glasses are missing: -0.50 spherical -7.00 spherical +0.25
