Description

Pre-Columbian ceramic gadrooned vase - Colombia, Ecuador, Narino (Capuli) culture
The Narino (also called Capuli) culture is a pre-Columbian archaeological culture that extended geographically from southern Colombia to northern Ecuador and historically from 800 to 1500 AD. Red-brown ceramic vase with remains of geometric decoration under the neck. Small chips and scratches, otherwise in good condition.
Height 10cm Diameter 15.5cm
