### Description

This pretty 18-carat gold ring dates from the late 19th century. It is a French work. It is entirely paved with turquoise cabochons, with a letter L in the center formed by rose-cut diamonds. A typically sentimental jewel, in a style very fashionable at the time, between a jewel of affection, a discreet monogram or a simple tender declaration: The L? For Louise, Lucie... or perhaps Love. It's up to you to see what you want! Weight: 2.7g
