Description

Very elegant Directoire sofa bed in painted wood with pediments on each side decorated with detached columns, well argued in sculpture; of modest size this 19th century piece is of high quality and removable, beautiful and easy to place. In cream lacquered beech this small daybed is perfect for a corner of the living room, a side of a wall to sit or doze off during the day. Cream lacquered this piece is originally cream lacquered and is enhanced with an Antique decor in Martin varnish (subtle painting of pigments and fluid varnish), delicately decorated with motifs in the urn decorated with delicate color and painted with dexterity in a beautiful and respectable proportion The Pompeian red highlights underline everything while refining its graceful silhouette in the "Neo-Classical" spirit of

the Antique. The identical sides make this refined piece of furniture not just a bedroom bed but a truly decorative piece appreciated in a library, a living room or a veranda... A beautiful piece with preserved and refined decor from the end of the 18th century, very much in the spirit of the Petit Trianon "Marie Antoinette". A piece of furniture in good condition announcing the approaching era of the Empire...
