Description

Resting on the ground with three slightly bent feet ending in a rounded shape. The same are inserted into a triangular base, designed to keep them in position, and fixed, by means of nails, to the central parallelepiped-shaped shaft, carved and grooved. On the same, blocked with a crosspiece inserted, the flat tondo obtained from a single axis. Height 78cm x diameter 66cm. Extremely rare due to its particular shape and size, the table has come to us in an excellent state of conservation and with a splendid patina. The work, like all our other objects, will be sold accompanied by certificates of authenticity and lawful origin. We personally take care of and organize the packing and shipping of the artworks with insurance all over the world. If the work is purchased by non-Italian customers, it will
