

Art Nouveau Silver Bag

320 EUR

Period : 19th century

Condition : Bon état

Material : Sterling silver

Description

800 silver bag, typically Art Nouveau. The frame is decorated with a female face surrounded by wavelets of flowers and foliage. The "bag" part is made up of a very large number of small diamond-shaped modules forming links, also in silver, linked to each other. There are 5 small bells on the lower part for a perfect finish. A chain with a ring completes the set. H: 17cm, 22.5cm with the chain. Length: 11cm. 153g (800 German silver). Good condition.
