Description
-------------

South America (Peru or Chile) early 19th century:  
"Work in the mine", painting on canvas 40 X 102  
cm, mounted in a painted frame with a floral  
decoration 55 X 116 cm. Tension bands,  
restorations and slight wear. Charmingly sincere  
despite its harsh subject, forced workers (indios?)  
extract the ore from the mine to load it into carts  
under the supervision of armed guards on  
horseback... See also our "Village Life". Do not  
hesitate to ask us for photos or additional  
information by email or telephone. Other photos  
and many other objects in our shops in Pau and  
Biarritz.
