Description

Hallmarked silver-plated cutlery set from Maison Christofle, consisting of twelve large spoons, twelve forks, and twelve small spoons, or 36 pieces. This is the Marie-Antoinette model, combining refinement and sobriety, created in 1912 and whose production ceased in 1930. Its particularity lies in the plant ornaments such as acanthus leaves, flower garlands, and ribbons framing a cartouche. Its design is a tribute to Queen Marie-Antoinette and her pronounced taste for floral and plant motifs. This cutlery is in very good used condition and has a beautiful shine. It is in its original cases.
