Description
-------------

Gallia/ Christofle, superb 1900s period planter in silver-plated metal with its removable silver and brass interior. A remarkable work of goldsmithing in the openwork decoration adorned with palmettes and laurel garlands, Length: 33 cm Width: 16 cm Height: 8.5 cm In superb condition, shine and elegance. This piece has passed through the hands of a polisher to restore its former shine. A centerpiece with the most beautiful effect. Marked under one foot with the Gallia hallmarks with a rooster and the hallmark with a goat for Christofle, these hallmarks allow us to date this planter from the Art Nouveau period, early 1900s.
