Description
-------------

Desk. Rosewood. Probably from Northern Europe, circa mid-20th century. Four-legged wooden desk with a two-drawer frame and a top with a ridge at the back that extends to the sides to prevent objects from falling off. Stylistically, it is reminiscent of German and Scandinavian designs from the mid-20th century or the 1960s and 1970s. - Dimensions: 140x80x75 cm
