Description

François Crabit (1950-2024) - Hossegor - La douce (1996) Original abstract work signed by François Crabit, an Akoun-listed artist known for his compositions inspired by imaginary maps and organic textures. This work, on the border between geographical dreams and plastic writing, evokes a mineral slab or a silent territory, crossed by an enigmatic vertical black line, almost a voluntary fault or a marker marking the softness of the title. Mixed media on paper Dimensions without frame: 31 x 21 cm - framed: 46 x 37 cm. Signed and dated lower right: François Crabit 1996 ? Titled on the left: Hossegor - La douce ? Wooden frame with modern bamboo decor, under glass A poetic and rare piece in Crabit's work, combining graphic gesture and topographical evocation.
