Description

60s/70s metal and resin pendant light. Pendant light attributed to Terence CONTRAN founder of the Habitat chain. It carries a massive piece of pale yellow tinted resin sandwiched between 2 polished aluminum plates. The assembly is artisanal, made individually, each aluminum plate having its place and not being interchangeable with the other because of screws threaded individually. This is not a mass-produced light. The original English 3-color wire (black, blue, red) has been changed for 1 wire with 2 colors (blue, brown) current French standards. Original E27 socket, silver-cap LED supplied. Dimensions: Total height 70cm Dimensions of the resin piece: Height 30cm

Width 17cm

Thickness 3 cm Ref 970
