### Description

Magnificent Louis XVI dining table in flamed mahogany from the late 18th century. It rests on eight sheathed legs, open width 172 cm. When closed, this piece makes an excellent sofa table, or simply a console table slid against the wall for a little surface area. However, when the leaves are open, it becomes a wonderful square table. Delivery throughout France for 150 euros. Do not hesitate to contact me for more information in order to buy with full knowledge.
