Description

Ceramic set consisting of 12 plates, 1 large dish and 1 serving bowl by Pierre Pol Chambost. Very interesting complete service, which is very rare for this great artist who remains a key figure in the world of artistic creation of the 20th century. After studying at the School of Applied Arts in Industry in Paris, he created his own factory and was known throughout the world. His works are present in many museums. We are in the presence of one of his famous works where he lets express all his creativity inspired by nature with forms filled with simplicity and sophistication in the patina and colors. Note the excellent condition of the set. Possibility of sending in France and worldwide by secure and insured package with order tracking. Dimensions of a plate 26 cm.

Marked 1025.
