### Description

Watch pendant and its silver chain. This set consists of a chain made of links in the shape of spindles enameled in gros bleu and separated from each other by silver rings. The clasp is a spring ring. The pendant, which can be attached to it using an old carabiner, is in the shape of a ball and holds a watch whose bottom is enameled white. The entire ball, called Montre boule de Genève, is enameled gros bleu, guilloché and decorated with fine fleur-de-lis and star motifs in gold. The watch is wound by turning the ball.

century. Lack of enamel and tiny gold decorations. Our opinion: A charming and collectable antique piece of jewelry, the antique enameled chain can be worn alone or with its watch pendant. Please note: The watch is sold as a pendant and without any guarantee of operation. To find out moreDiscover the product sheet for this Geneva Ball Watch Pendant and its enameled silver chain online.
