Description

Oversized Early 20th Century French Wicker Basket
Introducing this wonderful oversized early 20th-century French wicker basket, featuring twin handles for easy carrying. Crafted, likely from willow, this substantial basket is both practical and stylish. The basket's large size and sturdy construction make it perfect for a variety of uses, from storing logs for your fireplace to organizing toys in a playroom. Its heavy and sturdy design offers ample storage space, making it a versatile addition to any home.
