This pair of fabulous antique 18th century angel torch holders is a stunning addition to any art collection. Made from giltwood and featuring intricate carvings, these statues are a beautiful representation of the Baroque/Rococo period. Measuring 60cm in height and 20cm in length, they are the perfect size for display in any room. These handmade sculptures are in their original unrestored condition. The angels are in a standing position, holding a cornucopia in their hands with their wings outstretched. The colors of gold and jade green make these pieces stand out and are very much in keeping with today's decor.
Condition Report In their original unrestored condition, with minor chips and missing pieces.
