

18k Rose Gold Ring With London Blue Topaz

3 250 EUR

Period : 21st century

Condition : Parfait état

Material : Gold

Description

Bold and refined, this striking ring embodies the perfect balance between soft curves and intense color. Crafted in 18k rose gold, it showcases a stunning approximately 9.2-carat London blue topaz, held in an elegant prong setting. The stone's deep blue-green tones evoke depth and mystery, bringing character and sophistication to the overall design. The fluid, sculptural lines of the gold setting enhance the gem's brilliance, making this piece a remarkable choice for those who appreciate bold elegance with a touch of femininity. Its timeless silhouette complements both daytime and evening looks. Main Stone: London Blue Topaz - approx. 9.2 carats Metal: 18K (750/1000) rose gold Gold weight: Approximately 6.20 grams (for a size 52) Condition: New / Never worn Note: Carat weight
