### Description

Elegant mechanical mantel or table clock with manual winding and chime, made by the renowned German manufacturer Müller & Co, a true testament to the Art Deco era.

The case, crafted in waxed hardwood - likely walnut or mahogany - showcases the streamlined and geometric design typical of the period. Symmetrical patterns and contrasting wood inlays highlight the architectural elements of the design.

The slender hands and metal rod hour markers reflect the industrial elegance of the 1930s, blending function and aesthetic brilliance.

A rare and refined piece, perfect for enhancing interiors with the timeless charm of Art Deco.
