Framed artwork.Dimensions : 110 cm x 110 cmAbout the artwork:In this work, I sought to capture the raw energy and tumultuous emotions of underground plant life through vibrant blends of acrylic and oil. The intense colors and bold movements on the canvas are an echo of the depths of nature and the diversity of human experience. Each brushstroke and knife stroke is an exploration of the depth of feeling, an invitation to dive into a world where passion and intensity reign. This painting will be a source of continuous inspiration and a vibrant reminder of the beauty in chaos, ideal for energizing any living space.Matte black frame in
