Pair of orientalist paintings representing two animated landscapes Morocco or Algeria by H Torbol. Very interesting together in two different formats which adds a certain charm. Dimensions paintings with frames 21 by 34 cm for one and 27 by 41 5 cm for the larger one. Note the use of very pretty colors, in particular very beautiful blues and a very shimmering paste and color palette. H Torbol is a 20th century painter known for his orientalist works not very common on the market. In summary a very pretty pair with very cheerful colors which will give in symmetry a very beautiful decorative effect.
