Description

the Garnier Opera, Baccarat Crystal. (year 2000) The three cut sides represent a couple of dancers, then the entrance to the steps and the exterior. They added three other transparent obliques playing a little more with the trompe l'oeil. The different finger grips enhance the balance. The sharp edges are inlaid in the crystal. The decoration is fine and neat, justifying its signature. The shape recalls the rough diamond and the purity of the crystal. Delivery possible not included in the price.
