Swivel Office Chair In Oak - 1930s

450 EUR

Period : 20th century

Condition : Quelques manques

Material : Oak

Description

Charming swivel office chair dating from the 1930s, crafted in solid oak with a three-legged wooden base supported by a central cast iron column. The seat and backrest follow clean, ergonomic lines, with vertical slats on the back that lighten its profile and reflect the sober, functional design of early 20th-century work furnishings.

The original height adjustment mechanism is still in working condition, a testament to the engineering quality of the period. The patina of the wood, marked by time in all the right ways, lends warmth and authenticity to the piece.

Ideal for industrial-style interiors, creative studios or vintage-inspired offices, this piece combines
