Vintage Gold And Silver Bracelet With 12 Ct Diamonds

15 000 EUR

Period : 20th century

Condition : Bon état

Material : Gold

Description

14k (585°/°°) gold and silver bangle set with 30 brilliant-cut diamonds, each weighing approx. 0.4 carat for a total weight of 12 carats. The diamonds are of fine quality, with colors ranging from F to I and purities from VVS to SI. They were probably cut around the 1950s, some of the breech points remain open, but the tables are closer to today's brilliant-cut standards. The gold part is delicately decorated with arabesques. Foreign work circa 1950. Note that the bracelet opens and closes with a screw system.Inner circumference: 16 cmInside diameter: 4.9 cmGross weight: 18.89 grams
