Description

Charming Asian piece of furniture at support height decorated with birds and plants, with plenty of storage. It has two doors whose facades are carved with landscapes highlighting birds of different species. Equipped with a lively frame painted with flowers, these doors have a working lock, a chiseled entrance accompanied by its ornate key. Upon opening, we discover small storage drawers in black lacquered wood with gilded decorations and cloud-shaped pull handles. In the upper part, this piece of furniture has two large drawers and four deeper ones in the lower part. They are all carved and painted with animal scenes, have falling pull handles and working locks. The top and sides of this Chinese piece of furniture are also decorated with relief bird sculptures. A very beautiful piece for lovers of
