### Description

BLEK LE RAT (born in 1951 in Paris), French artist  
Computer man, 2007  
Stencil and spray paint on canvas signed and dated lower right, numbered 3/3, stamped and signed by the artist on the back.  
Dimensions: 49 x 49 cm  
Provenance: private collection  
This work symbolizes the influence of the computer on man and questions us about the future of humanity where the human being will perhaps one day mutate into a robot-man like in the worst science fiction films.
