### Description

Important and beautiful oil on canvas, presented without frame, representing the Three Graces or also called Cariti Aglaia, Eufrosine and Talia, goddesses of joy, charm and beauty. The canvas is presented in "good condition", great freshness of the colors, beautiful rendering of the materials and drapes, three very "present" colors with this cobalt blue, this Sienna yellow and this pink red, these typical colors of Italian Baroque painting, with illusion effects by associating the play of light, shadow and perspective, warm and bright colors playing on contrasts. The effect is therefore more "theatrical" as in the painting presented here, due to its size and composition, with the important presence of these Three Graces in front of an Italian work architecture from the 17th century.
