

Famille Rose Ewer And Bassin - China 18th Yongzheng/qianlong Period

2 200 EUR

Period : 18th century

Condition : Bon état

Material : Porcelain

Height : 21cm

Description

Famille Rose porcelain ewer and basin. The silver mount serves the ewer and the porcelain appears to be in perfect condition underneath, although we can guarantee it, the manufacturing hole in the lid and that of the handle seem to be the two attachment points of this mount. China 18th Yongzheng/Qianlong period (1730-1740) 18th century silver mount. Basin length : 33,4cm Basin width : 27,7cm Ewer height: 21cm The dish is in perfect condition, two holes on the heel, original, and a small firing defect. The ewer has a restoration on the lid at the spout part, some small chips at the opening on the body. A firing defect inside the ewer. More information and photos on request.
